3- Add/remove Authors

Enter the author's Information. Enter the name and details of all authors (other than you) who contributed to the work reported in your manuscript. After entering each author's details, click on the Add Author button. By beginning the manuscript submission process, you are automatically designated as the Corresponding Author. To change the order of the authors, you can Drag and Drop each row with the mouse or use the Move UP and Move Down icons. If you change the Corresponding Author, the manuscript will be removed from your account and added to the new Corresponding Author's account when you complete the submission process.

4- Enter Abstract:

Submitting an abstract is required for submission. Please enter the abstract of your manuscript into the text box below. The abstract may be cut and pasted

from a word processing program; however, the formatting will be lost. The abstract word limit is 150 to 250 words.

5- Enter Keywords

enter 3 to 5 keywords separated by semicolons or commas. Keywords should be entered both in Arabic and English.

6- Additional Comments

Please enter any comments you would like to send to the editorial office. These comments will not appear in your manuscript.

7- Suggest Reviewers

Please suggest potential reviewers for this submission. Use the fields below to give us contact information for each suggested reviewer.

Please note that the journal may not use your suggestions, but your help is appreciated and may speed up the selection of appropriate reviewers.

8- Attach Files

Please upload all the files related to your manuscript.

To change file order, you can Drag and Drop each row with the mouse or use the Move UP and Move Down icons.

Allowed file type(s) for "Manuscript Main File" is only: DOC, DOCX

You are required to submit at least 2 main files; **the manuscript main** *file (without the author's Name) and* **a title page** *that provides the paper title, names and affiliations of all authors including their email. Preferably you should provide an English abstract that includes;*

- *Paper title,*
- *Author(s) name(s), affiliation and Email*
- *Background and problem,*
- *Objectives,*
- *Significance,*
- *Methodology*
- *Major results or findings*
- *and finally a list of all references used in the original papers with all non-English references translated into English.*

This abstract is usually uploaded as a "Supplementary file"

9-Cover Letter & Checklist

If you desire send a cover letter that tells us any information you would like the journal to acknowledge.

10- Finish submission

This section shows you all the details you entered so far. click submit to finish your entry.
